3:40-3:55	Update on Hybrid -Teachers and MA	SuggestionCreate a special welcome for kids. 1st gradeBetter each day. Love having kids on campus KinderKids are happy to back at school, following safety protocols, technology glitches they have to troubleshootfinding creative ways to problem solves, team is persevering 2ndkids are happy, happy to have conversations, concern about how to split themselves in two, kids are not getting enough attention, hard being present for both groups (roomies and zoomies), tricky to help kids stay 6 feet apart, worried about all of the family travel 3rdenergizing to have kids on campus, love small cohort to get to know the kids, biggest surpriserandom cohorts, not all friends, remote side is very hard to sustain, model is very hardwill get better, harder than anticipated. 4thexcitement of having kids, more participation of roomies, kids are excited, interaction between kids who don't know each other, this is hardmanaging technology piece, sometimes internet

		connectivity, troubleshooting chromebook issues in classroom, management of roomies/zoomies, small group is good, need to train the kids on safetyneed redirection, confidence we can figure it out with more time Parents are willing to support as volunteers on zoom. MA will connect with PTA to organize. Do they need fingerprints?
3:55-4:00	Future Agenda Items Next meeting, December 14 - Estelle	Goals and Schedule 2020-2021 a schedule was created for the 2020/2021 school year.
