Approval of Minutes

The minutes from the June 2018 were misplaced. Unable to be submitted for approval.

Mrs. Peck handed out and reviewed all handouts listed on agenda. Explained the Bacich SC. Some schools SC's have a budget, ours does not. Historically our focus has been school safety. Mrs. Peck reminded us of the live document regarding the current construction project.

SC Norms were approved. No changes.

Kari went over length of SC terms with all new members. All are committed to two years. Lauren Vaughn's term will only be one year. All teacher members are currently on their second year or more. Potentially all new teacher members next year.

Reviewed dates for this year's SC. Scott would like the SC to consider moving future September meetings to avoid the Jewish holidays.

Spent a good amount of time reviewing the Adult Character Expectations section in the Parent Handbook (p 18-19). This discussion brought up Mrs Denson discussing Responsive Classroom which includes morning meeting. Amy thought we should add "Be a Team" to the

Parent Handbook. Other thoughts/ideas: put a message in the weekly newsletter reminding parents that the kids are watching our behavior. Trash on campus. New vests or sash for carline volunteers with kindness messages. Also on the visitors badges. If we can get the kids on board then they can teach the parents.

“Finalize thoughts at October’s meeting

Mrs Peck updates: 641 students. Had to add 2 teachers thus Mrs Poon was asked to give up her music room. Two large classrooms-2nd and 3rd grades.
